

## **SAVE THE DATE**

**Wednesday, April 28<sup>th</sup>, 2010**

Here ye !! Here ye !! Come one come all  
in welcoming the nation's leading  
mercury experts to the Chicago Market!!!

Dentistry for the Health Conscious, Inc., the office of Dr. Diane Meyer is pleased to announce that we have secured several of the leading experts in mercury poisoning, diagnosis and treatments for a Mercury Poisoning Symposium Conference.

Calling all patients, family, and health care practitioners as well as your friends to save the date for this full day event 9am to 9pm on **April 28th** featuring Dr. Diane Meyer, Dr. Hal Huggins, Dr. Lee Cowden, Dr. Mayer Eisenstein, Dr. Boyd Haley, and Dr. Chris Shade.

Meet the panel of leading experts:

**Dr. Diane Meyer**– Having been diagnosed with Mercury Poisoning and going down the long arduous road to recovery has lead her to become extensively trained in the mouth and body connection. Her entire working career of 34 years has been in the dental field at one capacity or another. Not only is she hosting this event, she will be speaking about the effects of mercury poisoning and safe removal protocol. She has patients who fly in from all over the world because of her experience. Author and key note speaker, Dr. Meyer has appeared on various radio and television programs. **Diane Meyer, B.S., D.D.S.**

**Dr. Hal Huggins** – Nearly 40 years ago, Dr. Huggins found that removing amalgams resulted in many health benefits for the patient. He is one of the founding fathers of the anti-mercury amalgam movement. ***His latest research into the potential toxicity of root canal teeth will be revealed for the first time at this event.***

**Dr. Mayer Eisenstein** – Physician and attorney. In his 33 years in medicine, he and his practice have cared for over 75,000 parents, grandparents and children. Author of many books including, "Safer Medicine, Don't Vaccinate Before You Educate", "Unlocking Nature's Pharmacy", "Give Birth at Home With The Home Birth Advantage", "Safer Medicine", "Unavoidably Dangerous-Medical Hazards of HRT", and "Unlocking Nature's Pharmacy." Since 1987, his weekly radio show "The Dr. Mayer Eisenstein Show", has aired in the Chicagoland area. [www.homefirst.com](http://www.homefirst.com)

**Dr. Boyd Haley** – In the past 14 years Dr. Haley has emphasized studies on Alzheimer's disease in his laboratory. Currently, a diagnostic test he developed for Alzheimer's disease is being promoted by clinical diagnostic laboratories. He is co-founder and scientific advisor of Affinity Labeling Technologies, Inc., a biotech company that synthesizes and markets to major research institutes nucleotide photo-affinity analogs for biomedical research. Dr. Haley has testified as an expert witness at government hearings on the issue of the health hazards of mercury in vaccines and dental amalgam. <https://www.ctiscience.com/CTIScience/AboutUs.do>

**Dr. Chris Shade** – Quicksilver Scientific was founded in Lafayette, Colorado, by Dr. Christopher Shade in October 2005. Dr. Shade developed the patented Liquid Chromatographic Mercury Speciation technology used at Quicksilver Scientific, while conducting his Ph.D. dissertation work with advisor Robert Hudson at the University of Illinois at Urbana-Champaign.
